Dear Mr. Alexander,

We are the publishers of ***Betrayal of Valor, An Expose of a Horribly Flawed Veteran's Administration*** (Review Copy Enclosed), a recent nonfiction #1 Amazon bestseller in several categories, authored by a well-known Veterans Disability attorney - Eric Gang.

This book covers the extreme plights veterans face navigating life post-service.

I hope you find it valuable to yourself and the veterans you work with. If so, would you consider sharing the book/link on your website and/or socials? If any upcoming events might be beneficial to book Eric as a speaker, please feel free to contact us. He would love to connect and help.
