CLEAR AND UNMISTAKABLE ERROR - 38 CFR 3.105(a)

I hereby certify that the claims record of this Veteran has been reviewed and that the following clear and unmistakable error has been identified:

Rating decision dated April 3, 2020, granted entitlement to SMC L aid and attendance under appeal retroactive to June 17, 2014. This was granted solely due to the 100% PTSD. Therefore, this decision was in error when it failed to grant the additional half step (P1) for the additional disabilities of 50% (sleep apnea or headaches).

Each assigned effective date of this corrected rating corresponds to the date from which benefits would have been payable if it had been made on the date of the reversed decisions (38 CFR 3.400(k)).
